## Fact Sheet

## Getting a mooring for your boat

### Introduction

The Kent Estuary at Arnside offers an opportunity to moor a boat in the middle of an Area of Outstanding Natural Beauty (AONB). With excellent local facilities, Arnside makes an ideal choice for a one day or longer.

### Process

To secure a mooring you must first decide where you want to moor your boat. If it is between the viaduct and Ashmeadow Point and above the mean highwater mark then you should apply to the Clerk of Arnside Parish Council, see [www.arnside.gov.uk](http://www.arnside.gov.uk).

If beyond Ashmeadow Point it will be on Crown Property and administered by the Arnside Sailing Club, see [www.arnsidesailingclub.co.uk](http://www.arnsidesailingclub.co.uk).

Details of costs, durations and facilities will be made available on application to the relevant authority.
